## and what have you

by BOB CRAIG

From all the reports that I get the Hamlin Riding Club's Rodeo was a success—both from the point of view of the riding club and the fans.

I understand that they put on a real fine show all three nights. The riding club furnished the Jaycees a good box to watch the rodeo from and, if we could have just kept the people out from in front of it we could have had a good view of the proceedings. But as it was, it was pretty hard to see much of the rodeo from the concession stand.

By the second night, those working in the stand could just about tell what part of the show was going on by the crowd. It would seem that the barrel racing is the most popular event because business just about stops during it.

Now that the rodeo is over I would suggest that the riding club meet with other interested organizations within the next month or so and start planning next year's show. It may seem early but if the show is to grow each year like most of the people interested in it hope it will, there needs to be more long range planning done.

Last week when we carried Miss Lennie Greenway's appeal for help with the Hamlin Cemetery we hoped to get a little response at least but were not expecting anything as sudden as it turned out to be.

By 9:30 last Thursday morning Ed Croan, president of the Hamlin Lions Club, had presented Miss Greenway a check for \$50 from the club and had issued a challenge to the other clubs of Hamlin to follow suit.

There seemed to be a strong challenge directed to a certain elderly group of men that meet on the day following the Lions meeting to match the \$50 donation.

I don't know how much money would be needed to get the cemetery cleaned up and in first class shape but if other organizations within the city and interested individuals could see their way clear to help in this cause I am sure that it could be taken care of.

Anyone caring to help in this should see or call Miss Greenway at the bank.

Speaking to the Lions Club Tuesday, Mayor John Howard told the group that what Hamlin and all other cities need is for the people to become better stewards. He listed the four requirements for good citizen stewardship. These are: a knowledge of the development of the towns and cities of America; a knowledge of our own city government; a knowledge of the economic order and financial structure and soundness of our local government; and a knowledge of what is happening to the cities of America because not enough people are interested.

Like everything else we seem to take the attitude with our city government that someone else can take care of it for us—we don't have time to

HEADING FOR THE RODEO—Joe Lynn Johnson, 10, Tommy Johnson, 5, and Toby McLaughlin, 10, all children of Mr. and Mrs. John T. Johnson, are pictured above as they participated in the Thursday afternoon parade which opened the three day rodeo here. The children were all dressed in appropriate clothing to ride in their horse-drawn cart. (Engraving courtesy of Abilene Reporter-News)

## Council Hikes Water, Sewer Charges Aug. 1

In action taken Tuesday night by the Hamlin City Council the water and sewer charges have been increased, effective August 1. The minimum charge on the water rates has not been changed only the charges above the minimum were raised. The total sewer and sanitary charges were raised 75 cents on each family.

The new sewer charge will be \$2.50, sanitary charge will

be \$2.00 and the trash pick-up only charge will be \$1.00.

The new water rates will be \$2.50 (minimum charge) for the first 2,000 gallons, next 4,000 gallons at 60 cents per thousand, next 10,000 gallons per thousand and all over 16,000 at 40 cents per thousand.

Mayor John Howard Jr. pointed out that the increase was brought about by the failure of the water and sewer revenue to meet the needs of the water department and to retire the water revenue bonds. The city has had to transfer funds from the general fund into the water fund to make up this difference. This past year the council transferred \$10,000 from the general fund to the water department for this purpose.

Other action by the council was the approval of the Peerless Pump Company's bid for the booster pump to be located near Tuxedo on the city's water line running from Stamford. The bid was \$10,114.00 and will be paid out of the money left from the last water bond issue.

The pump will permit the city to bring more water into Hamlin to meet the needs of the city during the dry summer months.

At the present time the city can not keep the overhead

storage tanks full during the peak season.

The council also tentatively approved plat plans for the construction of 12 homes by Daniell and Nunley Construction Company. The homes will be located in the North-West part of the city.

### Stamford Vet Hospital Holding Open House Sun.

The Stamford Veterinary Hospital on the Avoca Highway in Stamford is inviting everyone in the area to attend open house Sunday afternoon, July 1, from 3 to 6 p.m.

David C. Ballard, DVM, is announcing the recent association of Robert L. McMillian, DVM, with the hospital. Also, extensive remodeling has been completed and everyone is invited to see the new facilities and meet Dr. McMillian.

### Johnson Reunion

The Rev. Stanley Johnson, son of C. W. Johnson, and his family are returning home from a visit in California. They will arrive July 3. The Johnson family reunion will be held July 4.

The Johnsons request the visits of friends and neighbors from 2:00 to 5:00 p.m.

## Successful Rodeo Ends Here Saturday Night

The Amateur Rodeo under the sponsorship of the Hamlin Riding Club came to a successful close Saturday night after three days of outstanding performances.

The rodeo opened Thursday afternoon with a long down-town parade which was led by trophies in the parade were the Fisher County Sheriff's Posse, first place, and the Stonewall County Sheriff's Posse, second place.

The colorful grand entry Thursday evening was followed by a tribute to the late Mr. Robert Johnson by the Rev. Lenard Hartley, pastor of the First Baptist Church where Mr. Johnson was a member.

The 1962 rodeo was dedicated to the memory of Mr. Johnson. The flag race was also pop-

ular with entrants being those under 12 from Jones County, Randy Elmore, age 4, was the youngest entry.

Pat Mitchell, County clerk of Stonewall County, was injured in the team tying event. The Aspermont man had roped the horns of the steer and his partner, Ned Ward, had roped

the heels. Mitchell had gotten off of his horse and as the two horses pulled in opposite directions, the steers horns were pulled into Mitchell as he ran to tie the heels. The injured man tied the heels of the animal before he collapsed and placed third in the event.

Mitchell suffered a deep wound in his left side in the abdomen which severed an artery. He was rushed by ambulance to the local hospital and was in surgery for about two hours. He was also given several blood transfusions.

Wednesday afternoon he was reported to be improving and is walking some.

### PAYS \$2 INSTEAD OF \$1— 1918 GRAD IS LOOKING FORWARD TO HOMECOMING

As the officers of the Hamlin Ex-Students Association are preparing for this year's homecoming activities, it was gratifying to receive word from a former student who made his reply before the association mailed out the letters announcing the Sept. 8 date. Basil J. Teague of Houston, who was valedictorian of the class of 1918, corresponds with the Cliff Reynolds (they were former classmates) and sent a letter to them April 3. They had written to give him the information about the annual event. Teague is employed with an oil company in Houston. He has attended all previous homecomings and is looking forward to the one this fall. He even enclosed a check for \$2.00 instead of the registration fee of \$1.00.

His letter follows:  
Mr. and Mrs. Cliff Reynolds  
Hamlin, Texas

Dear Friends:  
I must start with an apology for neglecting so long, but I'm used to apologizing about nearly everything, as I am almost always late. Have intended mailing my dues since I received your letter, but kept forgetting.

Have forgotten whether you said the Ex-Student's dues would be \$1.00 a year or \$1.00 a month. If it's \$1.00 a month, will be glad to forward the remainder. But I deserve possibility a \$5.00 penalty for being delinquent. I'd like this puny little check used for expenses anyway.

I intend to be there, of course, but it is still quite a long time off. The Lord willing, I will be there. Think it is really wonderful to see those whom we all knew quite a few years ago.

The summer recreation program at Hamlin High School has received good response this year although more young people could still be included. The program, sponsored jointly by the school and the Hamlin Jaycees, is being directed by Ed Farmer with Mrs. Farmer serving as sponsor for the girls and Van Newberry serving as the student assistant.

The program was begun on June 4 and includes two sessions each week for eight weeks. The girls (sixth through eleventh grades, meet from 8 to 10:30 a.m. Monday and Wednesday) and the boys (sixth through ninth grades) meet on Tuesdays and Thursdays.

### Office to Close

The superintendent's office at Hamlin High School will be closed from July 9 to July 23.

### Women's Softball Team Loses, 15-14

The Hamlin Women's Softball team played Hermleigh there Tuesday night and were defeated in the close contest, 15-14.

es; the others I don't know. The younger ones, including present students, with their pep squads, cheer leading, football games, are of course, very nice and necessary, but it's the old acquaintances (all old friends—I hope) that I really enjoy seeing.

Am sending this to you folks; I don't know who the officers are and probably do not know any of them. Have a vague recollection of a barrel-house election of officers last fall, but did not listen to the names.

With appreciation—very best regards—and hoping to see you all—come this fall.  
Sincerely,  
Basil J. Teague

### Insect Meeting Slated Thursday In Agent's Office

There will be a Cotton Insect Meeting to discuss the boll weevil situation in the County Agent's Office at 9:00 a.m., Thursday, June 28, according to word this week from Jones County Agent, Kirby Clayton.

Mr. John Thomas, Entomologist with the Texas A&M Extension Service will be on hand to help solve any problems which might arise and to bring the program.

All farmers in the area, ginners and insecticide dealers are urged to attend this meeting.

### HOSPITAL NOTES

## Writer Learns Much Work, Cooperation Needed to Put on Rodeo

By MRS. BOB CRAIG  
Associate Editor

Few people realize how much work it takes to make a rodeo successful. This was brought out to me Tuesday when Roy Thompson came in to give us a statement of his appreciation to the people of Hamlin who had given so much to help make the rodeo a success. He said that the staging of the rodeo would have been impossible without the help of so many.

As a spectator at the three shows, I had not stopped to think how much planning, organization, cooperation and just plain hard work goes on to make up a good performance.

As Roy mentioned those who helped, and he did so reluctantly, for fear of leaving someone out, I knew then that

Hamlin people could do anything if they set their mind to do it.

As a spokesman for the Hamlin Riding Club who sponsored the show, Roy said that the members were grateful to the clubs and organizations as well as many individuals who helped.

The Hamlin Board of Community Development furnished publicity material and the office for the rodeo headquarters. The club is grateful to the members, the president, Robert Fowler, and Mrs. Ned Moore for all of their services and assistance.

The Jaycees at the concession stand also did a great service as they relieved members of that responsibility.

He also mentioned the fact that the police department was most cooperative in handling the traffic at the main entrance.

The arena area was also made more comfortable by the Hamlin Fire Department who furnished the equipment for the sprinkling of the grounds and the City of Hamlin who used the fogging machine to kill the mosquitoes. The firemen also directed the parking of the cars.

He also noted that the merchants added to the rodeo spirit by dress in western wear. The merchants and business people who purchased advertising for the program played a vital part.

There were several men who were not members of the riding club who helped work the shuttes and gates. He also expressed thanks to the gate men, time keepers and flag judge. The timekeepers were

Dr. E. J. Hawkins, La Foy Patterson, T. C. Blankinship, J. D. Ferguson, B. V. Newberry, Chn D. Ferguson, Jack Willingham was flag judge.

T. W. Flenniken served as rodeo superintendent and he and Mrs. Flenniken put in many hours registering contestants before the rodeo and then both worked during every show.

The cooperation of the members was also valued.

So often we take people for granted and do not realize the importance of just standing by in case there is a need. Jerry and Bill Foster did that and more as they were needed on two occasions. Friday, Clyde Lee Carroll, son of Mr. and Mrs. Benny Carroll, was carried to the hospital after being thrown from his father's horse.

On Saturday night they were needed again to carry Pat Mitchell of Aspermont to the hospital after he was seriously injured in the team tying event.

The chairs for the box seats were furnished by Hamlin Public Schools. The members also used materials and equipment at the high school to make copies of the contestant

lists each evening.

The speaker system was furnished by Luther Marr of Abilene who also did the announcing.

Ralph Hallums was generous about furnishing his pickup to get stock.

Not too long after Roy left the office a member of the club called to ask that we mention how much they appreciated his work in being responsible for the project of building the new stands and also being chairman of the show. He was presented a box seat by members of the club.

They said all of this would have been impossible without his work, leadership and determination.

The stands were built and the rodeo was held all in the space of eight weeks. The stands were financed through

the sale of the box seats and the labor was voluntary. As it looks now the stands will probably be paid for this year, or at most there will be a balance of less than \$500. This is an outstanding record for this type of project.

Western hats were presented to Bill Dominey, Otha Ray Brown, Johnny Waldrop, S. F. Houghton, Marvin Rhon and Otha Brown in appreciation of their labor in building the stands.

We could go on and on naming people who assisted but as Roy said, we cannot name them all, there were so many but we cannot forget the contestants, patrons, or those who just welcomed the visitors to our town with a friendly smile.

### THE HAMLIN HERALD Office

WILL BE CLOSED AFTER BUSINESS  
ON MONDAY, JULY 3 UNTIL MONDAY  
MORNING, JULY 9.

The July 5th issue of the Herald will be mailed as usual with the exception of deadline time being moved up to Monday noon for all copy.

40 Years Ago—

The Hon. Earl B. Mayfield, State Railroad Commissioner and a candidate for State Senator, spoke in Hamlin on July 11. It was his first visit to our little city and he was a grand "hit" . . . The Anderson Oil Well, seven miles southeast on the Potosi Road, broke loose Wednesday afternoon and gushed oil halfway up the derrick . . . (from "An Ideal Town" by Phebe K. Warner) "Perhaps it is because Hamlin is in the bloom of youth that is so interesting and beautiful and full of life and love. It has just "turned" 17. Everybody seems young and hopeful and there is nothing old in the place."

25 Years Ago—

The Hamlin Rotary Club has twenty-four members and the

THE HAMLIN HERALD

JUNE 28, 1962

way President Tom Williams starts off, this is going to be one of the banner years for Rotary in this community . . . A Jones County Folk Festival is to be pulled off in Anson, July 16-17. One of the features will be the coronation of the Jones County Queen of the Folk Carnival . . . (from Boyd Chapel news) Mrs. Eldon Pope entertained her Sunday school class with a picnic at the Hamlin Lake last Thursday evening.

15 Years Ago—

Misses Verna Mae Colwell, Jo Hargrove, Shirley Baggett, Inez Baggett and Edith Ann Scott, all of TSCW at Denton, were home for the Fourth holidays . . . Coach L. B. (Red) Howard's Pied Pipers took the first half of the District 13-A

baseball league on July 4, wallowing Trent 18-5 in the Taylor County lads' own backyard . . . Texas is apparently headed for another milk shortage this fall, predicted L. G. Harmon, professor of dairy manufacturers at Texas Tech.

10 Years Ago—

June's love bug failed to get in his traditional overwork in Jones County, and marriage licenses even fell below the year-round average . . . Probably three-fourths of the cotton planted in the Hamlin area will be saved as a result of the showers of rain that fell this past week . . . Carol Jo Simpson was elected president of the Junior Girls' Auxiliary of the First Baptist Church when they met on May 30.

5 Years Ago—

An estimated 250,000 bushels of wheat have been brought to the two Hamlin grain buying stations from this year's crop up to Wednesday morning, at an average price of \$1.80 per bushel . . . Twelve nurses of the Hamlin Memorial Hospital received their caps Tuesday evening in an impressive service at the Faith Methodist Church . . . Three boys are to go to the Boy Scout Jamboree, held this year at Valley Forge, Virginia. The boys are Bob Johnson, son of Mr. and Mrs. Weldon Johnson; Mark Smith, son of Dr. and Mrs. M. L. Smith; and John Ferguson, son of Mr. and Mrs. John D. Ferguson.

NEINDA PHILOSOPHER COMES UP WITH A BRAND NEW SOURCE OF TAX REVENUE—\$5 PER HOUSE CAT

Editor's note: The Neinda Philosopher on his Johnson grass farm on route one is trying to be helpful this week. But he may cause more storm than calm in some quarters. That's his lookout.

Dear editor: If a man invented an automobile that'd run on water, a rocket ship that'd glide into space without a blast-off, or a device to control the weather, he'd win considerable acclaim. But nothing like the man who invents a new source of tax revenue.

If there's anything this country needs, above everything else, it's some place to get new revenue to run its governments, from town government to county to state to national. Governments today are like the man who's earning twice as much as he did ten years ago and still lacking half enough to get by on, with the exception that it takes more than an act of Congress to increase his debt limit. To do this, you've got to deal with a banker, and Congress is a much easier mark.

Therefore, without seeking any glory, I've been hunting up new sources of tax revenue and from time to time may mention them all, but right now the best idea I've had is a tax on cats.

I read just last night that

it's not unusual for a city of say a million population to have half a million cats.

All right. There you are. I can't explain this, but anybody with a cat, a claimed cat, a cat he admits is his, would a heap rather part with \$5 than the cat. I've never been able to understand this low estimate of money and high estimate of cats, but it's a fact.

Therefore, if a city with 500,000 cats puts a \$5 annual tax on cats, it has \$2,500,000 in new tax revenue the first year, and no telling how much six months later. Why right there in Hamlin there must be at least 2,000 cats, and you can figure up how much tax revenue that'd come to.

I don't know how many cats there are in the United States, I don't guess anybody knows, but there are millions, say 10 million just to be safe. All right. At \$5 a cat, that's 50 million dollars a year, and that's only the city and town take. As anybody knows, what a local government can tax, the state and federal governments can too, or vice versa. This is a democratic country, ain't it?

I estimate that if all units of government get in on this new cat tax, the total new revenue will come to around 100 million dollars a year, from now on, because if I know cats, it'll certainly be self-perpetuating. Next week, I'll discuss another tax source I've figured out. Tell Congress not to adjourn yet.

Yours faithfully,  
J. A.

BOB CRAIG ..... Editor-Publisher

Notice to the Public: Any erroneous reflection upon the character of any person or firm appearing in these columns will be corrected gladly and promptly, upon its being brought to the attention of the management.

The year 1961 was the second best traffic year since 1949 in point of traffic deaths, but 2,314 persons died in 1,899 fatal crashes during the year.

When Texas motorists drove 131 million miles a day in 1961, one person was killed every three hours and 47 minutes, a traffic crash took place

every 97 seconds, a traffic injury was recorded every three minutes and 58 seconds, and the economic loss averaged \$677 every minute.

Only four days in 1961 Texas traffic were "Deathless Days," days on which not a single person died in a street or highway crash. There were nine such days in 1960.

want a "family-duty" refrigerator?

Only GAS refrigerators are built to work better, last longer - backed by unbeatable warranty and service . . . you know they can take it!

10 YEAR WARRANTY on the gas system is the longest on the market (twice as long as any other!)

SERVICE you can rely on from Lone Star Gas Company's trained servicemen.

BIG and BEAUTIFUL Frost-free models never form frost in either zero-degree freezer or the convenient refrigerator section.

AUTOMATIC ICE MAKER models make and store all the ice you want, handy when you want it.

QUIETER and TROUBLE-FREE—operates without noisy compressor that wears and needs repairs as in non-gas refrigerators. Bigger capacity, new styling, convenient arrangement — and more features you'll love.

ECONOMICAL to operate because it's GAS!

NEVER A BETTER TIME TO BUY. Gas refrigerator prices are down — lower than ever before.

"Solid As A Rock"

# OLD GLORY NEWS-

By SHARON LEVERETT

**4-H:**  
The Presbyterian Encampment Grounds were filled June 18-20 when the 4-H Leadership Training and Conservation Camp of Extension 3 opened.

An estimated 150 persons attended, James G. Simmons, district agent from Vernon, said. Those included 4-H Club members, leaders and county agents.

The camp featured recreation, safety, soil and water conservation, swimming, foods, entomology, plant life and "tips for teens."

Among the adult leaders was Joel Wilson of West Texas Utilities Co., Abilene.

Tom Anderson of Stephens County, chairman of the District 4-H Council, presided for the opening general assembly.

Roy McClung, Seymour, the farm agent from Baylor County, was chairman of the foods

committee, along with Miss Joy Riley, home demonstration agent from Wilbarger County.

Miss Alice Kemp, Fisher County HDA, assisted with soil and water conservation programs; Mrs. Angles Marrs, Kent County HDA, was the chairman of motor safety committee; Frank Martin, Haskell County CAA, Jack Moore, Knox County CAA, and Mark Geeslin, Kent County CAA, were members of the foods committee.

E. T. Hennig, Stonewall Co. CAA, and James S. Norman, Fisher County CAA, were among group leaders; and Kirby Clayton, Jones County CAA assisted with swimmers.

Barbara McNelly, Haskell County HDA, was chairman of the "tips for teens" committee.

Haskell County 4-H clubs were in charge of the spiritual H in the opening assembly. Stonewall County 4-H'ers, Donna Pierce and Carolyn Sander were in charge of the group singing.

Sharon Leverett of Stonewall County, co-vice chairman of the district council, discussed camp attitudes, and Tom Anderson outlined the camp organization and planning.

Members of 4-H clubs in Wilbarger, Foard, Dickens, Baylor, Young, Motley, Hardeman, Shackelford, Jones and Knox counties had various responsibilities in connection

with the camp.

The vesper committee consisted of the officers, Tom Anderson, Sharon Leverett, Glenna Killian, and Tony Quisenberry. Sharon Leverett led the singing. The officers were in charge of the vesper service the second night. Sharon Leverett gave the thought for the day concerning attitudes. The camp was enjoyed and the things learned will be carried on into county camp.

The Old Glory Girls' 4-H Club met at the County Courthouse to prepare for the float in the Asperment parade. The hard workers were: Rita Baldree, Judy Sander, Carolyn Sander, Reva Letz, Nancy Vahlenkamp, Billie Ann Vahlenkamp, Judy White, Linda Gholson, Donna Pierce, Brenda Palmer, Sharon Leverett, and the leaders, Mrs. Baldree, and Mrs. Pierce. Mrs. Bernice White assisted the girls by carrying the group from place to place and afterward sponsored a swimming party.

The final results of Stonewall 4-H state team was announced with the Electric Team consisting of Danny Letz, Stanley Diers placing sixth in the electric contest. Their score was 278 points out of a possible 300. The first place team scored 289 points.

Visiting the local Church of Christ were: Mr. and Mrs. Norman Davis. He was a former preacher of the Old Glory Church of Christ. He is now stationed at Fort Hood as a first Lieutenant.

The Pringle family were all united the past weekend. Mr. and Mrs. Bob Crawford and family of Arlington, Mr. and Mrs. Billy Pringle and family of California, Mr. and Mrs. Bill Burk of California.

Mr. and Mrs. W. G. Wienke have returned from a two week visit with relatives in the Houston area.

Butch and Gayle Elliott of Arlington have been visiting with their grandparents, Mr. and Mrs. H. G. Klumps.

The Edward Letz, the Allen Letz, the Garret Spitzers, the Louis Spitzers, the Red Flows and the Bill Baitzs and Tommy Letz enjoyed a weekend at the lake near Necessity.

The Jack Jones were visited by the stork of June 19, with a bouncing baby girl. She weighed 7 pounds and 4 ounces. They named her Karen Jones. Mrs. Jones returned home and is doing fine.

Deadliest day in 1961 Texas traffic came on Dec. 22, when 23 persons met death by automobile in 15 fatal wrecks on our streets and highways. It was the deadliest day since November 14, 1959, when 24 persons were killed in traffic.

The year 1961 recorded 14 days on which 15 or more persons died in Texas traffic tragedies.

# LIGHT ATTENDANCE REPORTED AT HD COUNCIL MEETING

Owing to the busy season of the year and vacation time, attendance at council of Home Demonstration Clubs at Anson, for June, was less than usual. Eighteen members, three visitors, and ten clubs were present.

Business was conducted as usual, with Mrs. H. H. Windham presiding, and the new secretary, Mrs. Cal McAnich calling the roll and reading the minutes.

In the committee reports, Mrs. Bob Barksdale, chairman of the 3E committee discussed the Jones County Fair, asking each club to have a booth. It can be on any subject as long as it is educational and if on construction of any thing, shall be shown step by step.

Mrs. L. R. Faulkenberry, Finance chairman, showed the new one and one half pint

freezer containers, which sold very rapidly, as it is garden time. She also gave the information on the Christmas cards.

4H reported 62 members at the county wide camp at Buffalo Gap.

Mrs. Noel Weaver reported the State meeting would held in Dallas, September 18 to 20, at the Baker Hotel. Credential Cards were passed out to the elected delegates. There will be a meeting in Mrs. Newberry's office before then, instructing the delegates as to procedure of the State Meeting.

Rally Day for all clubs of the County will be held July 26, beginning at 10 a.m. in the Memorial Hall in Anson.

In the absence of Mrs. Haynes, Mrs. Myatt gave the information on the West Texas Fair, Sept. 10 through 15.

## Mrs. Waggoner Gives Program for McBride Circle

The McBride Circle of the WSCS, First Methodist Church met Tuesday morning at 10 o'clock in the home of Mrs. J. E. Harrison.

Mrs. Bill Davis, chairman, presided.

The program director for the mission study was Mrs. Jerry Waggoner. "Facing the Challenge of Missions" was given by a panel which included Mmes. Abel Ruga, Max Murrell and Parker Kelley. Coffee and cake was served to 12 members.

The July 24 meeting will be held in the home of Mrs. W. A. Hawkins.

William D. Reynolds of 7217 Ruth Street in Fort Worth, a former resident of Hamlin, Texas, is a patient in room 286 of St. Joseph Hospital in Fort Worth. It would be good for him to hear from his many friends in Hamlin.

reminding them again that the name of the booths must be in by July 1. Six counties have entered this year.

It was voted to have some form of recreation at each council meeting in the future and it was also voted not to lend the punch bowl and cups to any one. They are for council purposes only.

The treasurer reported a balance of \$420.01 in the treasury, a meeting of the Year Book Committee will be held Thursday, July 10 at 9:30, in Anson. Also a Clothing Leader Training meeting in July, time to be announced later.

A parliamentary drill was given by Mrs. Maxie Harvey. Entry blanks for the Queen contest at the Fair were read and passed out.

Mrs. Elmer Joiner, Reporter

## Former Residents Observing 50th Anniversary July 4

Mr. and Mrs. A. B. (Happy) Jones of Anson, former residents of Hamlin, will be honored on their fiftieth anniversary, Wednesday, July 4, with an open house from 3:00 to 8:00 p.m.

Mr. and Mrs. Jones lived here for many years and he farmed on the Rufus Herbst place. In 1956 they moved to Hereford and later moved to Anson.

They have eleven children, six daughters and five sons.

They are Mrs. Dave Herring, Mrs. Ernest Holley, Jane Owens, all of Anson, Mrs. Pat Fitzpatrick, Mrs. Tommy Miller, both of Abilene, Mrs. Weldon Miller of Hereford, Bobby Jones of Fort Hood, Alvin Jones of Hereford, Thomas Jones of McCaulley, Woodrow Jones of Dimmitt and Raymond Jones of Anson. Jane, Bobby and Alvin attended

THE HAMLIN HEHALD

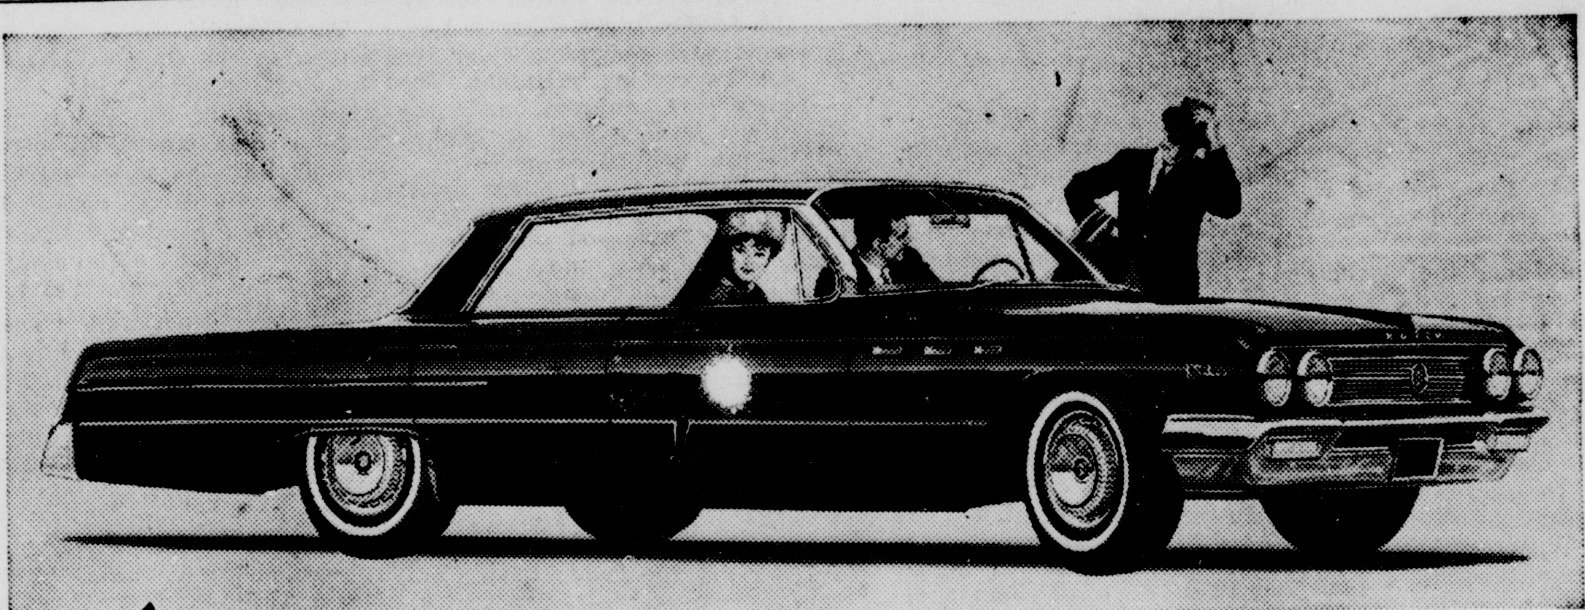

JUNE 28, 1962

Hamlin Public Schools.

Several of the children and their husbands and wives will serve as hosts and hostess for

the event.

Friends and relatives are invited to attend the Golden Wedding Celebration.

**How can this car have so much extra—and still be almost low-priced?** Answer... it's a Buick...in name, styling, quality and resale value. Yet its price is right close to many models of the "low-priced" cars. So before you do any buying, come see how little extra it costs to get all the extra values included in LeSabre's surprisingly low price. Some examples...finned aluminum front brakes—safest made! A 401-cu. in. Wildcat V-8. Exclusive Advanced Thrust engineering that moves the engine forward—gives you straight tracking, flat cornering—and a nearly flat front floor! Turbine Drive automatic transmission—smoothest there is! And lots more you'd never guess LeSabre gives you. **Your Buick dealer's great trades make LeSabre an even greater buy right now!** **BUICK LESABRE IS THE BUY**

Odean West and J. A. Kraft Tell Wedding Plans

Mr. and Mrs. J. M. West, Hamlin, are announcing the approaching marriage of their daughter, Odean, to J. A. Kraft, son of Mrs. Elizabeth Kraft, of Denton.

Miss West is a 1962 graduate of Hamlin High School. Kraft attended schools in Hamlin and Denton. He was recently discharged from the Marine Corps.

The date for the wedding has not been set.

Mrs. Ed Bailey Leads Program for Cook Circle

Cook Circle of the Woman's Society of Christian Service met in Mrs. V. V. Anderson's home Monday at 3 p.m.

Mrs. W. B. Cotton opened the business session with prayer. Minutes read and approved treasurer report given. A sum of money will be sent in memory of the late Mrs. W. L. Letcher Sr., which is to be used for missionary purposes.

Mrs. Ed Bailey was leader of the program which was on the Church in the World. She was assisted by Meses. Cook, Gardner, Rowland and Miss Temple.

Refreshments were served to 9 members and 2 visitors. The next meeting will be with Mrs. Ed Bailey, July 23 at 3 p.m.

Hudson Circle Meets in Hackley Home June 25

The Hudson Circle of the Woman's Society of Christian Service, First Methodist Church, met in the home of Mrs. A. A. Hackley on June 25. The program, "Facing the Challenge of Missions," was given in a dialogue, with Mrs. John D. Ferguson as leader and Mrs. Richard Young Jr., Jane Ferguson and Sherri Witt assisting.

Officers for the Hudson Circle are: Mrs. M. T. Hudson, chairman; Mrs. A. B. Carlton, co-chairman; Mrs. E. J. Hawkins, treasurer; and Mrs. John D. Ferguson, secretary. The telephone is Mrs. W. H. Pickens and Mrs. Tom Teague.

Refreshments were served to seven members and two guests.

EIGHT PREDICTED TO DIE DURING HOLIDAY TRAFFIC

AUSTIN—The Director of the Texas Department of Public Safety reported today that past experience indicates that eight persons will be killed in traffic accidents during the coming Fourth of July holidays in Texas.

Colonel Homer Garrison Jr., announced that "Operation Motorcade" will be in effect from 12:01 a.m. through 11:59 p.m. July 4, and that during this period the regular Highway Patrol force will be joined by units of the License and Weight and Motor Vehicle Inspection services in the general traffic supervision effort.

Garrison called for the "cooperation of all Texas drivers to help prove that the estimate of eight traffic deaths compiled by our Statistical Services Section is too high." He continued:

"The Fourth of July marks the mid-point of the summer vacation period, when Texans are really on the move. It is the time of the year when they go more places to see the wonders Texas offers its vacationers.

"With the tempo of travel picking up it is important to drive according to traffic laws and regulations—the rules set down for the protection of the driving public.

"Common sense says it is hard for a person to enjoy a trip if he is constantly squirming out of dangerous traffic situations caused by unlawful driving—his own's or someone else's."

Garrison said the Fourth of July could be the turning point in the battle against death on the highways this year. During the first five months this department records showed a six

per cent decrease in the number of fatalities as compared with the same period in 1961.

The public safety director cited the large number of bad wrecks which have occurred in recent weeks. The first few days in June five accidents killed 24 persons and, in each accident at least one traffic violation was a causative factor. As is usually the case, he said, the most common of these were excessive speed, driving while drinking, improper passing or driving with defective equipment.

"Operation Motorcade" is a program designed to focus public attention on the added dangers of traveling by motor vehicle during holiday periods, Garrison explained. During the 24-hour period of the Fourth of July, all fatalities resulting from traffic accidents over

the state will be tabulated. Motorcade bulletins will be issued at 10 a.m., 3 p.m., and 8:30 p.m., with a summary bulletin to be issued the morning of July 5.

Walt Disney's 'Big Red' Opens Here Saturday Night

In "Big Red," the warm and poignant story of a grand champion Irish Setter and the boy who wins him in a fantastic series of adventures, Walt Disney has one of his best and most exciting feature motion pictures to date, opening Saturday at the Drive In.

Disney has yet to fall short of his boy-dog stories and "Big Red," packed with adult appeal, has all the elements of earlier pictures and more. Gilles (pronounced Jeel) Payant, the son of a struggling French-Canadian couple, is handed his motion picture debut in one of the best teenage roles slated for any Hollywood product in

1962—a marvelous Disney discovery made in true Disney fashion.

Flanking him in top roles are the renowned Walter Pidgeon, as the hard-headed owner of Big Red, and Emile Genest, famed in Canada as a radio-TV actor and commentator for the Montreal Canadiens but as yet comparatively unknown in this country. Genest will be remembered for his convincing role as the villain in "Nikki, Wild Dog of the North," a very recent Disney success, and Genest's U. S. debut.

Following his nose for the authentic, Disney shot the story in the lush, verdant pine country of Canada's Quebec Province, moving a hundred tons of equipment, cast and crew to the breath-taking vicinity of La Malbaie on the shore of the broad St. Lawrence River for the most important shots, then moving back to the studio in Burbank for interiors, and finishing up at Big Bear Lake, California.

"Big Red" stars Walter Pidgeon, Gilles Payant and Emile

Genest. Winston Hibler co-produced with Walt Disney. Norman Tokar directed the Buena Vista release.

NEW BIRTHS

Mr. and Mrs. Clyde Trammell are the proud parents of a boy, Joel Britt, born June 24, and weighing 6 pounds, 8 ounces. The Trammells, residents of Aspermont, have three other children; Stanley, Ricky and Randy.

The grandparents are Mr. and Mrs. C. H. Graham and Mr. and Mrs. L. D. Trammell, all of Aspermont.

Daniel Elbert Lewellen was born to Mr. and Mrs. Elbert Lewellen, of Aspermont, on June 23. He weighed in at 8 pounds, 4 ounces.

Other children in the family are Brenda, Vicki, Laura, Max and Tammy.

The grandparents are Mr. and Mrs. John Surdey of Joliet, Illinois, and Mr. and Mrs. T. M. Lewellen, residents of Childress, Texas.

TELEPHONE TALK

by Roy Eury, Manager

It will be a festive occasion at the telephone company in Hamlin during this week. Our service representative here, Rosa Lee Scott, will be celebrating her 10th service anniversary.

Rosa Lee is a home town girl, who has spent all of her ten years with the telephone company serving you people in Hamlin.

Congratulations! Rosa Lee on a fine record in Hamlin during your ten years and may the future years be just as successful.

REPAIR SERVICE

The next time you get a bill to cover repairs on some appliance in your home or for replacing parts in your auto, take a long, appreciative look at your telephone.

Considering the amount of usage it gets, the telephone is an amazingly trouble-free mechanism. The majority of our customers seldom need to have their phones repaired. Should trouble develop from normal usage, however, repairs are made quickly and without additional charge.

Good, fast repair service comes about because telephone people genuinely feel their job is important. This "spirit of service" is found all along the line. Kind of old fashioned, but it's there.

This is just another reason why you can count on your telephone when you need it most.

TELEPHONE TEAMWORK

Frequently, in this column, you have heard me mention that telephone service provided by the Bell System is "nationwide" in scope.

It is nationwide. There are Bell companies in every state. But all telephone companies are not Bell companies by any means. As a matter of fact, one-sixth of the telephones in the United States are operated by some 3,200 neighbor companies.

Here in Texas there are 166 telephone companies besides Southwestern Bell.

We do not compete with these companies. We connect with them. Their lines are joined to ours to carry Long Distance messages. Thus, those served by companies not a part of the Bell System can still be connected with practically all in the United States.

Day by day teamwork between telephone companies enables practically anyone, anywhere in the country to pick up a telephone and talk to anyone, anywhere else, clearly and quickly. This is a fact of great importance in furnishing our nation the finest communications system in the world.

Call by number. It's twice as fast.

**SAFEWAY**

# STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

**AUSTIN**—Texas has something to brag about: The best traffic safety record in Texas history.

The National Safety Council "grades" all states on traffic safety. Of a possible 100 points, Texas got 84 for its efforts to solve traffic deaths and injury during 1961. A big share came from the second lowest traffic death toll since 1949—"only 2,314 killed on highways in 1961."

California had the best score with 86. Michigan was second with 85. Texas tied with Illinois and Ohio for third place among the "big traffic states."

Gov. Price Daniel said that holding down the death rate despite steadily increasing traffic made a real record—fewer deaths per 100,000 miles traveled than ever before.

**HOW to pick a TURKEY in 3 MINUTES**

It's not done with mirrors... it's done with electricity. After a scalding bath these birds are picked clean as a whistle with special flailing paddles that operate electrically. After the bird is packaged he is sent immediately to the freezer for quick chilling and freezing. This turkey processing plant is just one of thousands of commercial and industrial plants established in the rural areas of Texas where an abundant supply of dependable electricity is furnished by 77 electric cooperatives. Owned by the people they serve, these rural electric systems offer first rate service to more than a million Texans. They are serving these areas dependably today, while building a brighter tomorrow.

**MIDWEST ELECTRIC COOPERATIVE**  
Roby and Snyder

of repeal, and little chance of making it one per cent on everything instead of two per cent on most things.

That is the result of a newspaper survey of Democratic nominees for the Senate.

A clear majority—17 of the 31—felt that the sales tax would not be repealed. Only one among the 17 said he would vote to repeal it.

But several feel there should be some changes made. Major item suggested was to do something to ease the strain on the small vendors.

Interpretations of the law are that the merchant can't collect the tax on sales of less than 25 cents, but must pay the tax to the state on those sales as a part of his gross sales.

Theory was that collecting more than two per cent on sales of 25 cents and more would even things out. But it hasn't worked that way, particularly among people like restaurants where they sell a lot of coffee, vending machines, newsboys and others.

There may well be some changes made in this.

**GIFT DECLINED**—The State Parks Board had before it a bold offer—but with a half million dollar string attached.

Mr. and Mrs. C. A. Wheatley of San Antonio, offered their 4,778-acre ranch in Blanco County for a state park. But the condition was that the state spend \$500,000 to make a sure enough park out of it.

Parks Board members divided. Harry Hornby, Uvalde publisher, said yes. He was joined by two members, but three opposed. So it was a 3-3 tie.

Ed Kilman, Houston editor who voted not to take it, hoped that the Legislature will

**THE HAMLIN HEHALD**

see its way clear to provide the money in 1963, and that the offer by the Wheatleys will be renewed.

The Wheatley ranch lies along the Pedernales River. It abounds in wild game and scenic country for 10 miles along that stream.

Parks Board, fighting a hard fight with a short stick on money, just couldn't see how it could promise to spend \$500,000.

It has a fund of \$700,000 to be used next year on parks improvement. Meanwhile, however, Texas Tech is to draft a master plan for park development, showing where the start should be made in improving the long-neglected park system.

**MORE OIL SUITS**—Eight more operators in the East Texas field were enjoined from interfering with tests on their leases to see if their oil wells run straight up and down.

And the Railroad Commission extended to the Hawkins Field of Wood County its prohibition against plugging wells.

Atty. Gen. Will Wilson got word that some wells in that field may have been slanted over to someone else's property, so he asked that the no-plugging ban include the big Wood County field.

When the investigation opened, several operators immediately plugged their wells with cement, thus preventing check into the variation from the straight and narrow path.

Of the 27 wells checked so far, only one has found to be straight.

Lawsuits continue to pile up on the dockets of East Texas courts, as neighbors sue neighbors they think have drained

oil from under their leases.

**LONG SUIT**—A West Texas judge may spend the winter—and part of the spring—in the Lower Rio Grande Valley.

Chief Justice Robert W. Calvert named District Judge J. H. Starley of Pecos to preside over the big water rights lawsuit in Hidalgo County, where the tangled skein of water rights will be unraveled.

Trila is scheduled to start in September on the main lawsuit. The big question, whether landowners have a right to use irrigation water from the Rio Grande without a state permit, already has been settled.

Texas Supreme Court said lands deriving from Spanish and Mexican grants do not have a riparian right to use water for irrigation.

With that big question answered, Judge Starley will go into a hundred other questions in the suit involving all users of the Rio Grande from Maverick County to the Gulf.

Visiting judge had to be sent in since District Judge Magus Smith was disqualified because he had been an attorney for some of the interested parties before he was elected judge.

**ROAD MEN**—Texans who work for better highways came to Austin for their annual convention.

They named Leslie Neal Sr. of San Antonio as president of the Texas Good Roads Association for the coming year.

They voted to increase speed limits to 70 miles an hour, and to let the State Highway Commission zone highways for speeds up to that limit.

John Connally, Democratic nominee for governor, told delegates that Texas should not divert its highway tax money to other purposes. But he warned that the cities need help on their street construction problems, too.

**BOOKS**—Bookmobile library demonstrations are being set up in Caldwell, Hays, Fayette and Coryell Counties.

State Librarian Dorman H. Winfrey announced the extension of the rural book program, presently financed by federal, state and local units of government.

**NOTICE OF RATE INCREASE:**  
The regular meeting of the City Council was held June 19, 1962, with all members present and the following action taken. George Poe introduced a Resolution, and made a motion that it be adopted at the meeting and take effect immediately, and the new rate be applied to all water, sewer and sanitary charges billed on August 1, 1962, statements. This motion received a second and unanimous vote.

**RESOLUTION**  
BE IT RESOLVED by the City Council of the City of Hamlin, Texas, that:

WHEREAS: Due to the necessity of establishing a new water rate to provide funds for the operation and maintenance of our water system and provide funds for the interest and sinking for the Waterworks and Sewer System Improvement and Extension Bonds now maturing, and

WHEREAS: The necessity of increasing our water, sewer, and sanitary rate is an immediate need, be it therefore resolved that the following rates be approved, to be in effect immediately and be reflected in the billing of August 1, 1962.

THEREFORE: The new water rate shall be:

first 2,000 gallons (Minimum charge) \$2.50  
Next 4,000 Gallons @ .60c per 1,000 Gallons  
Next 10,000 Gallons @ .50c per 1,000 Gallons  
All over 16,000 Gallons @ .40c per 1,000 Gallons.

The new sewer rate shall be:

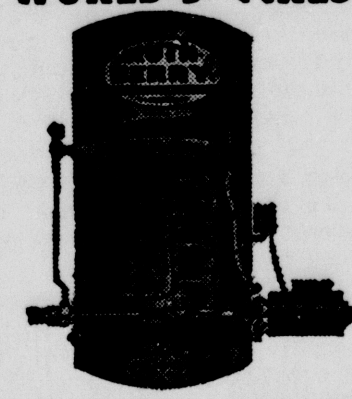

RESIDENCE (One Family)  
Sewer charge .....\$1.50 Pick-up charge \$1.00 Total \$2.50  
Sanitary .....\$1.00 Pick-up charge \$1.00 Total \$2.00  
Trash Pick-up only .....\$1.00 Pick-up charge \$1.00 Total \$1.00

APARTMENTS (Over one family)  
Sewer (Each family) \$1.50 Pick-up charge \$1.00 Total \$2.50  
Sanitary (Each family) .....\$1.00 Pick-up charge \$1.00 Total \$2.00  
Trash Pick-up (Each Family) ..... Pick-up charge \$1.00 Total \$1.00

COMMERCIAL  
Sewer—\$1.50 first four connections, next two connections @ .25c all over six connections @ .15c each.

THE HAMLIN HEHALD

JUNE 28, 1962

Hughes Trading Post . . . any other organization for the matter, are based on a lack of knowledge of the facts involved. I would like to suggest that every Hamlin taxpayer attend at least one meeting of the city council to get a working knowledge of what is going on within our government. The council meets every Tuesday night at the city hall.

## COLUMN-

(Continued from page one)

fool with it. This attitude is getting us into trouble. Most of the complaints leveled against the city government, or
